

This Outfit Does the Trick

Use a "RELANCE LINE" outfit and saw up your wood. You will be surprised to find how much cold cash you can get by sawing up and selling what at first appears to you to be waste wood, but is really valuable.

Wood brings high prices this winter, and it should only take you a short time to pay for this whole outfit.

GASOLINE ENGINES

For All Purposes

Small Engines for Cream Separators, etc.

Large Engines for Sawing, etc.

"RELANCE LINE" engines perform every duty with faithfulness, efficiency and lowest cost.

Write us or see C. E. Searles, our general agent at Barre, or J. L. Arkley, Barre. Send for our catalog D., and state whether you are interested in wood-sawing outfits or gasoline engines, or both.
